

SEB ELMER
HUMAN RIGHTS DEFENDER

8. **Bane:** A model suffering Bane discards the highest result rolled anytime Elmer's a defense roll.

Defender: Models without Defender that are adjacent to a friendly model with Defender cannot be targeted by offensive actions.

Ser Elmer has the distinct privilege and honor of serving as Castidown's Captain of the Guard. Charged with overseeing the safety of Castidown's businesses and citizens, Ser Elmer rarely encounters monsters and dragons. Instead, he must deal with the local organizations, shadow thieves guilds, and over zealous Heroes who have gotten out of line.

Bane: A model suffering Bane discards the magical real traits anytime I make a defense roll.

Defender: Models without Defender that are adjacent to a friendly model with Defender cannot be targeted by offensive actions.

Sir Elmer has the distinct privilege and honor of serving as Gaidtown's Captain of the Guard. Charged with overseeing the safety of Gaidtown's businesses and citizens, Sir Elmer rarely encounters monsters and crime. For this reason, Sir Elmer has been known to have a few... Henses who have gotten out of line.

HEALING

ARCANE

HEAL X: A model suffering Bane discards the highest result rolled anytime it makes a defense roll. **Arcade:** A monster suffering Bane reduces its **AES** by 1.

DEFENDER: Models without Defender that are targeted by offensive actions.

HEAL X: A model affected by Heal may remove a number of its wounds equal to the value of **X**.

GREEN GRAND: Cards are mixing members of the Green Grand protecting the citiary of Crystallia from the predations of the Dark Consul's minions.
