

## CHOKING MIST BOMB

TYPE: COMPLEX

This concoction is thrown at Heroes causing the flask to shatter. Upon contact with the air the ingredients create a cloud of choking gas, causing all who breathe it in to gasp, cough, get big bulgy eyes, and make undignified sounds.

## FIRE BREATH POTION

TYPE: SIMPLE

This elixir, consumed with ample amounts of rum, allows the imbiber to shoot forth gouts of flame at his enemies, bathing them in an unholy inferno. While highly effective in battle, this potion is infamous for its hangover.

## OINTMENT OF DULL NERVES

TYPE: SIMPLE

This concoction is slathered onto the skin before battle. It puts a deep chill into the body allowing the imbiber to ignore pain from wounds sustained in battle. Continued usage has been known to lead to really slimy bad guys, considered a perk by some.

## POTION OF ICY ARMOR

TYPE: SIMPLE

Upon quaffing this potion, Captain Henry gathers the moisture in the air around him and turns it into an icy layer of protection against attacks. The side effects of this potion turn Captain Henry's moustache to icicles, making him the envy of many an undead pirate.

## POTION OF INVISIBILITY

TYPE: COMPLEX

When imbided, the drinker of this potion vanishes from sight with a dramatic "whooshing" sound. Once invisible, Henry plans to rob, sneak-attack, and flick the ears of the elven Heroes of Crystalia with little fear of being detected.

## POTION OF INVULNERABILITY

TYPE: COMPLEX

With this potion, Black-Handed Henry will be nigh invulnerable. He plans to mock the Heroes, proclaim how they can never stop his plans, and likely divulge important points of information about his diabolical scheme.

## POTION OF SPEED

TYPE: SIMPLE

Few know better than a pirate the advantages of being faster than your opponent. Captain Henry has requested this potion in order to move twice as fast as the Heroes. He also really likes that it leaves those impressive spectral tracer images behind him as he moves.

## SOUL JAR

TYPE: COMPLEX

The Soul Jar captures the essence and powers of the recently deceased. Soul Jars are only used by the baddest of bad guys, as the souls within are denied eternal rest, forced to live forever in a jar with a bunch of undead roommates they didn't choose.
