Super Ocean Kaiju v0.01

This is an expansion rule set for Super Ocean Explore, with the intent to allow for the addition of a Kaiju.

The Kaiju is revealed like other SOCreatures, but is gigantic.

Kaiju:
The Kaiju is the ultimate Monster to kill for the Heroes.
It can be used as an additional Objective to meet, or be used instead of a Boss.

Selection
Decide which SOKaiju will be on call.

Difficulty Mode
Consider using SOKaiju as an additonal Objective as a general increase in difficulty.

Victory
SOKaiju can be used as an additional Victory condition.

Setup
Build the exploration zone and keep the ship tiles and Hero and Enemy models available.

Exploration Zone
When creating the Exploration Zone, include 1 Swimming Kaiju Tile in place of a Water Tile.

Play Overview

Exploration Zone Movement
If the Tile revealed is a Swimming Kaiju Tile, then the Hero Ship is immediately boarded. Place an Ocean Tile next to the Ship Tile and deploy the designated Kaiju to the Ocean Tile.
